

NHS Highland Third Sector Funding From 1 April 2022

NHS Highland is seeking applications from third sector and community groups who can help to deliver services, projects and activities against its priorities to achieve better outcomes for adults (over the age of 18) living in Highland experiencing diminished or vulnerabilities connected to their health and wellbeing..

Developed in consultation with the third sector in April and May 2021 the following priorities are at the core of what NHS Highland is hoping to achieve through its commissioning process.

1. Activity and services to improve social connectedness, including those which tackle loneliness and social isolation.
2. Community development which promotes cohesion and collaboration in, and building resilience for, local health and wellbeing needs. (Local being a defined community, geographic or thematic)
3. Activity and services that support vulnerable individuals to live well within their community, including those which promote independence and living longer within community settings.
4. Activity and services that support people with long term health conditions to live well.
5. Activity and services which promote and support volunteering and community led approaches to health and wellbeing.

A single application process will open on 14 June 2021 and will close on 14 July 2021, with funding available as follows:

- 1 April 2022 – up to a maximum of 3 years and no more than £50,000 per annum.
- Activities that support adults (over the age of 18) living in Highland experiencing diminished or vulnerabilities connected to their health and wellbeing.
- Activities should be able to deliver against one or more of the above priorities.

Application Documents

The link below will allow you to download all the documentation you need to apply for funding. All applicants should read the “Funding Application Guidelines” document before completing the Application Form.
