

Housings Role in Digital and TEC programme

Health, Housing and Social Care Partnership. Are you involved?

Heather Laing
TEC Ready Coordinator

What can Housing offer the partnership?

- ☐ Houses
- ☐ Housing Options
- ☐ Adapted Housing
- ☐ Supported Housing
- ☐ Care at home

When did you last speak with
Health or Social Care colleagues?

Did you know housing can prevent unscheduled admissions to hospital?

- ☐ Use of Technology enabled Care
- ☐ Early intervention
- ☐ Active self management of Long Term Conditions
- ☐ Improved wellbeing
- ☐ Digital inclusion / Reduce isolation / employment opportunities / financial improvement

Do any Housing providers have a housing representative working within the hospital?

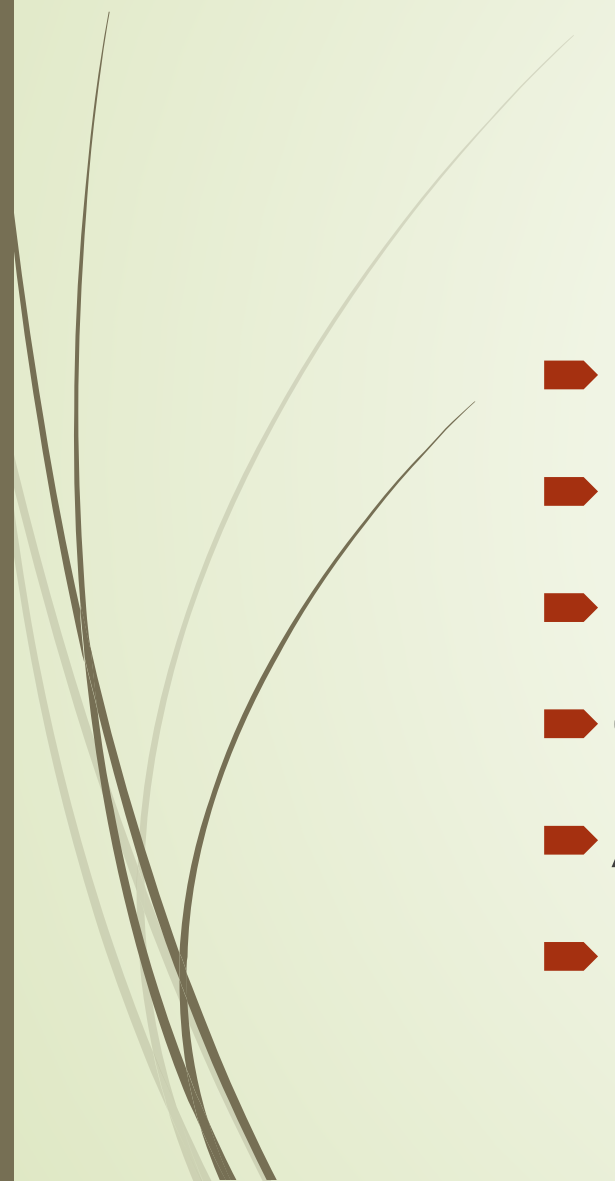

- ☐ Specialist Housing Options Knowledge
- ☐ Early intervention
- ☐ Prepare for discharge
- ☐ Discharge assessment in appropriate surroundings
- ☐ Reduction in support requirements

How many of you have attended awareness raising sessions around Technology enabled Care and Digital inclusion?

- ☐ Does your organisation have a TEC element to Housing Assessment?
- ☐ Do you / patients / relatives, have access to a TEC show flat through local TEC team e.g. Local authority Housing or Community Alarm Technology Services?
- ☐ Do Housing Officers understand how TEC can support independence / support Activities of Daily Living
- ☐ Do you work with your local TEC team to make referrals if you are 'first past the Door' e.g.
 - ☐ Housing officers, Repairs teams, SFRS, Care and Repair, Deaf Action, RNID, RNIB etc.....
 - ☐ Falls prevention / Hoarding / general frailty / environmental hazards

Barriers to Housings engagement with Digital and TEC future?

- 
- Knowledge
 - Equipment
 - Cost
 - Connectivity
 - Analogue 2 Digital transition
 - General Practitioners
