Social Value & Community Investment Workshop

#housingimpact
Why is understanding social value and community investment important?
The Centre for Excellence in Community Investment champions and celebrates the impact of community investment across the UK.

The Centre believes that community investment is a core part of social housing.
The Centre has four pillars:

- **Influence** - *Influencing* opinion inside and outside the housing sector by promoting and evidencing the impact of community investment.

- **Innovate** - *Innovating* in sharing good practice and encouraging fresh approaches to community investment.

- **Insight** - Creating *Insights* around evidence and research, measuring the impact of community investment work.

- **Inspire** - *Inspiring* community investment colleagues through peer networks and professional development.
