

# Melville Housing Association Board Support

Brief for Consultancy Services
July 2025

#### About us

Melville Housing Association is a charitable housing association, regulated by the Scottish Housing Regulator.

Melville Housing Association Ltd was formed in 1994 by a group of Midlothian tenants and staff from the Dalkeith office of Scottish Homes. The first homes were transferred in 1995 and since then Melville has developed a reputation as an excellent provider of high quality and adaptable housing services that constantly works to deliver high quality, good value, affordable homes.

We currently own and manage 2,144 properties and we are based at the Corn Exchange, 200 High Street, Dalkeith.

We rent and lease properties mainly in Midlothian with others in Edinburgh, East Lothian, North Lanarkshire, South Lanarkshire and the Scottish Borders.

Melville is led by an ambitious Management Board, currently comprising 11 people, but can be up to 15. Our Board aims to continue to develop new homes to meet the need for more affordable housing and to take advantage of opportunities to grow and strengthen the organisation to deliver improved value for money for tenants.

#### **Background to this Brief**

Melville is required to work within the Scottish Housing Regulator (SHR) regulatory framework for Scottish Housing Associations and comply with guidance relating to Group Structures and Constitutional Partnerships. More details can be found on their website www.scottishhousingregulator.gov.uk

If interviews are held members of the Tender Board may adjust their quality scores in the light of the performance of each practice, if applicable.

The lowest price will be given a score of 100. One point is then deducted from the other tenders for each one-percentage point that it exceeds the lowest.
